BETHEL A. M. E. CHURCH.

The person who missed being at Bethel last Sunday, certainly did miss a treat. The Sunday School was just grand. The sermon preached by Pastor Dawson at 11 o'clock from the text, "Will a Man Rob God?" was great. Four persons joined the church at this service. At 3 o'clock Dr. Burris Jenkins preached a wonderful sermon from the text, "Never a Man Spoke Like This Man." The Endeavor had a nice program at 6 o'clock. WESTERN UNIVERSITY.

By Lillian Hatcher. Mr. Brown, director of the band and orchestra, deserves much commendation for the excellence of the joint recitals last Friday evening in Studio auditorium. The program was a decided credit to the department of music and considered by all present as among the best that the department has presented this year. We were again visited last Saturday by members of the state legislature. Senators Thompson and Bergen were the distinguished visitors and each spoke pleasingly and entertainingly to us in chapel. Miss Jackson, who has been working as an assistant in the hostess house at Camp Funston, visited us last week. Professor Burling, together with the coach and members of the Lincoln Institute basketball team, spent the week-end with us last week. Secretary John Shilladay of the N. A. A. P. C., was with us on last Monday and spoke on the work of the association, gripping the attention of his audience for over an hour. Mr. T. W. Brown of the Kansas side was seen about the campus Friday.

The March Rhetoricals will be held Friday evening, March 7. The Braithwaite Players will make their initial appearance within a few weeks in a delightful comedy entitled "Who's Who and Why?"

ST. PAUL A. M. E. CHURCH

Mrs. Duncan preached an interesting sermon at 8 p. m. She made a strong appeal and three came forward for power. This church is growing and will soon take her place in Kansas City.

WARD CHAPEL.

Our Quarterly Meeting was the best in the history of Ward. Our Love Feast was spiritually alive and will be long remembered by all who were there. The pastor preached at 11 a. m. Rev. Griffin at 3 p. m. The choir of Bethel sang for us at that service and Rev. Stone preached at 7:30 p. m. The pastors present were: Revs. Dawson, Bell, Thomas, Wright, Williams, Goodin, Walker, Chandlee and Mitchell. The Lord has blessed us with nine additions in the last two Sundays. Sunday, the 23rd, was a great day. The pastor preached two strong sermons morning and evening. The Martha Washington Tea Party given at the parsonage was quite a success. The ladies dressed to represent Martha. Mrs. Strong and Sage carried off the honors of the day. Mrs. Derrick left Sunday to join her husband in Illinois. Mr. and Mrs. Harrison McKee of Lawrence, Kas., spent the week-end with their parents, Rev. and Mrs. Sage. Mrs. Brown, Evans and Frazer are among the sick. Sunday, March 2d, will be our General Class.

ST. JAMES BAPTIST CHURCH.

U., which proves to be very interesting, has a larger attendance each Sunday. Sunday evening an excellent sermon was preached by Rev. Dudley of Liberty, Mo. St. Clair, and a great service was had. At 8 p. m. Rev. O. I. Reed delivered an excellent sermon, subject, "Walking With God," which was very inspiring and was enjoyed by all the congregation. We had a splendid reception Saturday night in honor of the pastor's fourth anniversary. A splendid program was rendered. We cordially invite the public to visit our church. Offering for the week, \$40.77.

GALILEE BAPTIST CHURCH.

Sunday School was well attended. Rev. J. S. Williams preached at 11 a. m. At 6 p. m. the B. Y. P. U. was interesting. At 8 p. m. Rev. Dave Morgan preached and his subject was "I Am the Good Shepherd." He made it so plain that a little child could understand it. We indeed thank Rev. Wilson for what he has done for us in helping to raise money for the church. He is the only man that has come to us without price. He gave all that was taken up to the church and it helped us so much. We must learn to be thankful for small things and then God will give us big things. Woe unto the man that everybody speaks well of. He has his reward already. May the Lord send us a leader, as we are very much in need of one. The reporter is able to be out again.

BETHEL A. M. E. CHURCH. MANHATTAN, KANS.

Henderson returned from a business trip to Kansas City and Topeka. The revival services at the 2nd Baptist Church will close Friday. Rev. We are expecting to do great things in Manhattan.

ST. PAUL BAPTIST CHURCH.

ST. JAMES A. M. E. ZION CHURCH

Good congregations and wide-awake meetings are the order of the day at St. James. The pastor, Dr. W. E. Shaw, spoke at the morning and evening services. The Christian Endeavor Society was led by Brother Fleming. An inspiring address was made by Mrs. J. S. Quarrels. Under the enthusiastic leadership of Miss G. Cornwell the society continues to grow. The initial meeting of the Sunday Forum will be held at 3:30 p. m. next Sunday. Hon. N. C. Crews will deliver an address. The Southern Melody Makers will sing and Mrs. G. Fleming will recite. The last Quarterly Meeting of the Conference year will be held on the second Sunday, March 9th. Dr. F. W. Alstork will occupy the pulpit morning and evening and the Rev. Dr. Davis will preach at the morning and evening services next Sunday.

ALLEN CHAPEL.

The subject chosen by Dr. William H. Thomas, the minister, for the splendid sermon delivered by him Sunday morning was "Renewing the Strength," Isaiah 40:31. There was one addition. Miss Allen, a member of the choir, sang a solo. Hon. N. C. Crews announced the coming of Dr. Leroy Sunday of East St. Louis the second Sunday in March. He will be presented to the congregation following the morning sermon. Dr. Sunday, it will be recalled, was arrested in connection with the East St. Louis riot, accused of inciting his people to protect themselves. The authorities, refusing to accept bond, kept him in jail for several months. He will tell us about it. Come and hear what he has to say. An offering was taken up and turned over to Mrs. McCampbell for the Orphan Children's Home. Those who fail to attend the Christian Endeavor are missing a rare treat, for they are having very interesting meetings. The Strangers' Club and Junior Stewardesses served a very palatable dinner Thursday at the residence of Mrs. Lizzie Green, 2643 Highland. Mrs. C. E. Harris entertained the ladies of the Mite Missionary Society Monday afternoon at the residence of Mrs. Ida C. Lee, 2404 Taseo. The Y. W. C. A. presented Mrs. Helen B. Paulsen, who spoke Sunday night on "How to Get Acquainted With Your Children." In illustration, forty dolls were used. Mr. Burton H. Twichell, organizer of Community Stagers, conducted the singing. The address was highly appreciated by the large congregation. Miss Boulder of the Musical Department of the Topeka Industrial School will be soloist at Allen Chapel Sunday morning. Dr. Joseph M. M. Gray of the Grand Avenue Temple will be the speaker Sunday evening, March 2nd. Come and bring a friend.

VINE ST. BAPTIST CHURCH.

All services were well attended Sunday. Mr. H. J. Spigner was compelled to go home on account of not feeling well. We hope he will soon recover. Mrs. Rebecca Moore sang two beautiful solos at the morning service. We hope she will sing again. A donation of \$15 was made to her by the church. The Woman's Mission Circle and Sewing Circle meets every Thursday at 2 p. m. Everybody is welcome. The Junior choir rendered a beautiful program at 5:30 p. m. It was indeed grand. They will render a program the fourth Sunday in each month at the same time and place.

SECOND BAPTIST CHURCH.

Dr. S. W. Bacote, the pastor, preached from Genesis 18: 19, to a large and well pleased congregation last Sun-

day morning. In the evening services Prof. H. O. Cook, who has just returned from France, made a very interesting talk on his experiences "over there," and also showed some interesting relics from the battle fields of Europe. During the day there were twelve additions to the church. Both the Sunday school and B. Y. P. U. held interesting and well attended sessions last Sunday. The Mission Circle held a very interesting session at the home of Mrs. Beck, 2227 Michigan avenue, last Friday afternoon. The Community chorus, which is rehearsing every Wednesday and Friday evening, under the direction of Mrs. L. J. Bacote for the great anniversary program is making rapid progress. The anniversary program will be held the first Sunday in March in both the morning and evening services. Don't miss this. The public is cordially invited to attend all of our services.

JAMISON TEMPLE C. M. E. CHURCH.

Sunday was a very pleasant day at Jamison Temple, to begin with the Sunday school had many new faces to greet the superintendent and teachers. The little people's class is the largest in number and the strongest financially. They keep the banner every Sunday, lead by their efficient teacher, Mrs. W. H. Nickens. Mrs. Walker is rejoicing over the fact that her class is growing. She hopes to make it the banner class. Mr. Lewis, teacher of the senior class, is all smiles. Superintendent R. L. Smith says that the progress seems very good. The morning services were well attended. The pastor, Rev. H. T. Walker, preached on "Faith," Hebrews 11: 1. There was a manifestation of the Holy Spirit and a rejoicing among the people of God. At 3:30 Dr. N. T. Lane, the efficient and congenial pastor of St. Paul Baptist church and congregation came and we had another wonderful sermon and after the choir poured the melodies of New Jerusalem in our waiting souls a splendid offering was taken. Night service was well attended. Several came to the altar for prayer. On the second Sunday at 3 o'clock will be our Quarterly meeting. Tuesday night following, the business quarter will be held. All trustees, stewards and officials are requested to be present. Wednesday night the 5th of March, our spring bazaar will be given, under the auspices of the ladies of Jamison Temple. The clubs are busy getting ready. Each member is asked to bring or donate something to this affair. There will be a grand concert given by "Dave and Burroughs, jubilee singers," under the auspices of the Gleamer's Club.

CHRISTIAN CHURCH.

Some of our out-of-town friends and also some of our members in the city are asking why our church notes do not appear every week? First, it is because we haven't much every week worthy of "note;" and secondly, because the editor of the "Sun" is kind enough to publish what we send free of charge and especially in these days newspaper space costs and is worth much. We plan to use little space as possible. If you will measure the space given to "Among the Churches" each week in the "Sun" and then get the cost of that amount of space in a paper that has the circulation of the "Sun," you will find the owner of the "Sun" makes a large contribution to all the churches each week. In view of the fact, regardless of all else, are the ministers and churches doing their duty as such towards the circulation of the "Sun"? Would the consideration of this matter be out of place in the Ministerial Alliances? We think not. Why not have a "Sun" day at our churches and consider with our people what to read and how to read and why, and do our "bit" to encourage the circulation of the "Sun"? A united action along this line would be more effective and bring larger results. Now "speak up, Revs. lkes, and 'spress yourself." Our Aid Society had a fine meeting with Mrs. S. J. Hopkins, 1820 How-

ard. The Young Women's Missionary Circle had their best meeting this year with Mrs. Josephine Murray, 1323 Garfield. The Y. W. C. A. Club met with Mrs. Eva Williams, 2119 Tracy. They are working for a "paid up" enrollment. The attendance at all the services went beyond the standard of any regular day. The choir did the same thing. The choir led the congregation in songs of praise. There was one addition to the church. Sunday at 11 a. m. the minister's subject will be "The Gift of the Holy Spirit, and the Holy Spirit as a Gift." At 8 p. m., "The First Gospel Sermon." All, and especially strangers, are welcome.

EBENEZER CHURCH.

Sunday services at Ebenezer broke the record in attendance. The pastor, Rev. W. T. Osborne, delivered a logical discourse on "The Bible Christian." Eight persons united with the church. After the financial report of one hundred and thirty-five dollars the church gave the pastor a personal purse to take a rest at Excelsior Springs. Class 14, Brother C. C. Rafter, leader, is banner this week. The choir gave a surprise party last week on one of its members, Mr. Henry Washington, who has just recovered from a serious illness. They went in a body to the home, singing "Praise God; I'm Satisfied." An elaborate menu had been prepared by Mesdames Howard, Walker, Davis and Mason and after the rendition of an excellent program, consisting of instrumental and vocal solos, readings and choruses, with a plenty of comedy thrown in, by Mrs. Boyd, Elvora Moore and Myrtle Beck, the menu was served. The choir left at a late hour with Rev. and Mrs. Osborne their honored guests, feeling that they had made one of their number glad. Mrs. B. Officer royally entertained the Graces Art Club at their beautiful residences on Flora avenue, with Mrs. W. T. Osborne as honored guest. After the business and a display of work on the most exquisite pieces of embroidery and crochet, it can be said truly that a real banquet was served by the hostess. The club expressed itself as being quite anxious to return again soon to Mrs. Officer's. The Republicans are holding secret meetings, devising ways and means to take down the Democratic flag Tuesday evening. The state manager, Mrs. Ida Vaughn, says they will have to come in large numbers, by the Improvement Board, to do it. The clubs of the church have secured sections at the Auditorium for March 14th to see the great 4-act drama, "The Traitor." Call Grand 1241 and get a reserved seat. There is something worth while going on every week at Ebenezer. The debate on Woman Suffrage was interesting. Mesdames Beck and Green convinced the judges that women should vote, while Mesdames Austin and Wilson electrified the audience with their rousing discourses on the negative. The Old Maids' Convention capped the climax and was a great financial success. The Usher Board will appear in a big play soon. The first big Democratic meeting will be held at Ebenezer Sunday afternoon at 3 o'clock. It is the men's meeting—every man is cordially invited. An elaborate program and special sermon to the men. Women are also invited.

GRANT'S CHAPEL A. M. E. CHURCH Centropolis.

All services were well attended Sunday. Our pastor preached Sunday morning and Sunday evening he preached from the subject, "A Good Resolution." Both sermons were inspiring. The Valentine Social given by Mrs. Price and Mrs. Riley on the 15th, was a success and everyone enjoyed it. Mrs. Kelly and Mrs. White of St. Joseph, Mo., mother and sister of Mrs. Riley, are the guests of Rev. and Mrs. Riley this week. Sunday, March 2, Rev. Mrs. Beard will preach for us at 3 p. m. Music will be furnished by her choir. Sister Beard is a great preacher. We invite everyone to come out and hear her.
